If you requested to receive a paper copy in the mail, that should arrive within 2 to 3 weeks, as long as the information you provided was accurate to the best of your knowledge and complete to the satisfaction of ChildLine.

If your application resulted in a letter requesting missing information, you may respond to this either by writing the information on the letter and mailing it back to ChildLine (address at the end of the letter), or you may call the ChildLine Verification Unit using the phone number on the letter to provide the missing information.
